

CARTHAGE IN FLAMES / CARTAGINE IN FIAMME

WESTERN & ADVENTURE

The Punic War: Hiram, an exiled officer of the Carthaginian army, makes his way back into the city to save Salva Fulvia, a Roman woman who had earlier come to his aid. He is, however, taken prisoner, and it is she, Salva once again who will sacrifice herself for him. An action-film centered around a moving love story. This colossal ... la De Mille is among the most successful in Italian cinema history.
