

LIKE A CAT ON A HIGHWAY / COME UN GATTO IN TANGENZIALE

FILMS

Giovanni and Monica are the most diverse people on earth. He is an intellectual who prophesies social integration and lives downtown Rome, while she is a former cashier of a supermarket dealing every day with the really problematic multicultural environment of her suburban neighborhood. They would never have met if their twelve-year-old kids did not get together. The two of them have a common goal: the relationship between their kids, which has the life expectations of a cat on a highway, must come to an end! Until something between them starts to change...
