

# SACRED HEART / CUORE SACRO

## MAESTROS

Irene is the daughter of a well-know real estate entrepreneur, from whom she inherited not only his companies but also the talent for business. She manages to regain the property of the antique family residence that she would like to capitalize on. The discovery of the room of her mother- died under mysterious circumstances remained intact after thirty years and full of strange writing on the walls, as well as the encounter with the surprising little Benny, cause a deep change inside Irene, whose newfound altruism will be seen as fanaticism.
