

THE KING'S MUSKETEERS / MOSCHETTIERI DEL RE - LA PENULTIMA MISSIONE

FILMS

After twenty years out of the picture, the King's Musketeers are called back in action by Queen Anna, desperately seeking their help. Cynical and disillusioned but still incredibly talented with their swords, D'Artagnan, Porthos, Athos and Aramis, will jump again into the fire for their (maybe) last incredible mission: save France from the evil intrigues of the wicked Cardinal Mazzarino and his sensual accomplice Milady!
