

# TRINITY IS STILL MY NAME! / CONTINUAVANO A CHIAMARLO TRINITÀ

## BUD SPENCER & TERENCE HILL COLLECTION

The two rascal and funny brothers from “They Call Me Trinity” are ready for a new adventure. They're trying hard to keep the promise made to their dying father: stick together in order to finally become successful outlaws! But there's nothing to be done: their good nature spoils everything! When they get to Tascosa and bump into José, apparently a gentlemen but actually the boss of a group of smugglers, their temptation to fight against crime emerges once again.
