

WIFE & HUSBAND / MOGLIE E MARITO

FILMS

Following an incredible experiment, Andrea, a brilliant neurosurgeon, and his wife Sofia, an ambitious TV host, suddenly find themselves in each other's body, swapping their aspect and their whole lives. Forced to be in their partners' shoes and everyday routine, they will be able to see their relationship from a completely different point of view. Among funny and biting comic situations, they will face the troubles causing their marriage distress, and eventually falling in love again.
