Dressed in white-striped pyjamas, between interviews, performances and Buñuel-style atmospheres, director Eleonora Danco wanders the streets of her hometown Terracina, questioning young and elderly people about key life issues. The beautiful soundtrack by German composer Markus Acher strengthen the intense, almost hallucinatory tone of this beautifully crafted film.

Feature Film 2014 DCP / Blu-ray / HD Dolby 5.1 - 1:2.39 - 80'
