# THE FAMILY HOUSE

[ LA CASA DI FAMIGLIA ]

Alex, Oreste, Giacinto and Fanny are four siblings very different from each other, who grew wealthy in a beautiful family villa in the countryside.

While their father Sergio is in an apparently irreversible coma, they all agree to sell the family house and all its furniture to help Alex in solving his serious financial difficulties. As soon as they do it, Sergio unexpectedly weakens up. The doctors are categorical: for a good recovery it is essential that he returns to his daily life surrounded by the affection of the children and objects dear to him. The four will have to pretend that the villa has never been sold...
