Ettore Ranieri, famous writer and guru of the analogical world, decides to spend a few days with the family in his chalet in the mountains to celebrate his birthday. However, instead of enjoying this time together, everyone is always on its digital devices checking apps and emails. When the group suddenly loses their internet connection, everyone panics! Being disconnected will force everyone to really talk to each other, to face their own insecurities and "reset" their relationships.

Feature Film 2018 DCP - 2k - HD - Dolby Digital 5.1 - 87' - Italian
