Massimo Alberti is the owner of the "Miracolo Italiano" (The Italian Miracle), a bed and breakfast now reduced to a dilapidated building. Too few customers and too many taxes. Massimo has an epiphany: in order to survive, he has to transform the B&B into a place of worship, where he will host tourists in exchange for a donation. Tax-free. And to do so, he must establish his own religion, involving his sister Adriana, and the ideologist Marco. "Selfism" is born, the first religion in which you can be absolved from taxes and contributions. Get ready to convert!
