When an accident forces him to bed, old renowned architect Manfredi asks his only daughter Francesca to help him with the renovation of a lakeside villa. Francesca has quit the family firm long time ago to move to Paris, but decides to accept to please her father and starts working with the man's most trusted partner, charming 50yo Massimo. As the renovation of the villa progresses, the empathy between Francesca and Massimo builds up and when Manfredi suddenly passes away, the couple will finally face the true feelings they have for each other.
