Emma Peeters will soon be 35 and has yet to accomplish something. After years of hardship in Paris in trying to become an actress, an idea strikes her fancy: bringing her days to an end in a week's time, on her birthday. In the process Emma meets Alex Bodart, a fanciful funeral home employee who will help her in her reckless endeavor. By dint of hard work to hide their respective feelings, it seems they may succeed in bringing about Emma's final objective...
