FOREVER YOU

[UN'AVVENTURA]

1970s. Matteo has been secretly in love with Francesca since they were kids, but she left the small town in which they grew up to travel the world following the sexual liberation's wave. Once back, Matteo decides to finally make her fall in love with him, even if she's no longer the innocent girl he remembered. A brilliant and romantic musical with spectacular choreographies and the overwhelming songs from the Italian seventies.
