DON'T STOP ME NOW

[MA COSA CI DICE IL CERVELLO]

Giovanna is a low-profile woman with a regular and boring life, split between her accounting job at the Ministry, her daughter Martina's school commitments and the teases of her exuberant mother. But behind this dull façade, Giovanna is actually a secret agent, engaged in extremely dangerous and thrilling international missions. During a reunion with her former high school classmates, among memories and laughter, Giovanna listens to her friends' stories realizing that all of them, just like her, are forced to suffer daily absurd vexations. She can't stand it any longer! That's decided: her next mission will be helping the people she loves and, among extravagant disguises and hilarious situations, overturn this situation to do justice to her friends!
