Anastasia (13) and Diana (9) are two sisters living in a Latvian orphanage. When they get to know that an American family is ready to adopt them, Diana cannot wait to move to the States, while Anastasia is less excited about the idea of leaving her home. When their estranged biological mother Alla returns to their lives, Anastasia does everything to establish a relationship with her, but Alla seems to have other plans. Anastasia has to make a crucial decision - to leave her biological mother behind and move to live in America, or to remain home in hopes of living with her real mom.
