Rome. Davide is a shy and somewhat nerdy 13-year-old boy with a great passion for minerals. He lives with his mother Asia in Rome in a multi-cultural neighbourhood called Esquilino, where he spends his days with his friend Yang, trying to get away from the school bully, Nadir, and dreaming of winning Yasmin's heart. One day Martino, a washed-up B movies actor, shows up in his life and starts teaching him the art of Kung fu, in his own crazy way! They forge a deep friendship and, despite Martino's bizarre mentorship, Davide is able to finally regain his self-confidence.
